**JUDICIAL CANDIDATE QUESTIONNAIRE**

Dear Candidate:

This questionnaire seeks detailed information from candidates for judicial office, including incumbents seeking re-election. Members of our Coalition will use your answers, your interview, and other available information to assign a rating reflecting each group's application of our criteria, which are detailed at <https://www.judge4yourself.com/how-we-rate-candidates>. Although each Coalition member group assigns its own rating, all Coalition members use a common rating system. Ratings of Excellent, Good, Satisfactory, Not Recommended, or Refused to Participate can be used.

Responding to these questions will require significant time and effort on your part. We believe the information requested will help us give the public thoughtful and accurate ratings of judicial candidates. Your responses are an opportunity to demonstrate you are or would be the kind of excellent judge we all want for our clients and our community. We appreciate your time, and your true, honest, and candid answers. Do not, however, disclose information you are required to keep confidential, or that is subject to attorney-client privilege, attorney work product, or any other privileges or protections.

We prefer typewritten answers, and upon request will supply this form in an editable format for your convenience. If writing answers by hand is unavoidable, please add extra pages where necessary to complete your response. **Please keep a copy of your answers for future reference and use.**
